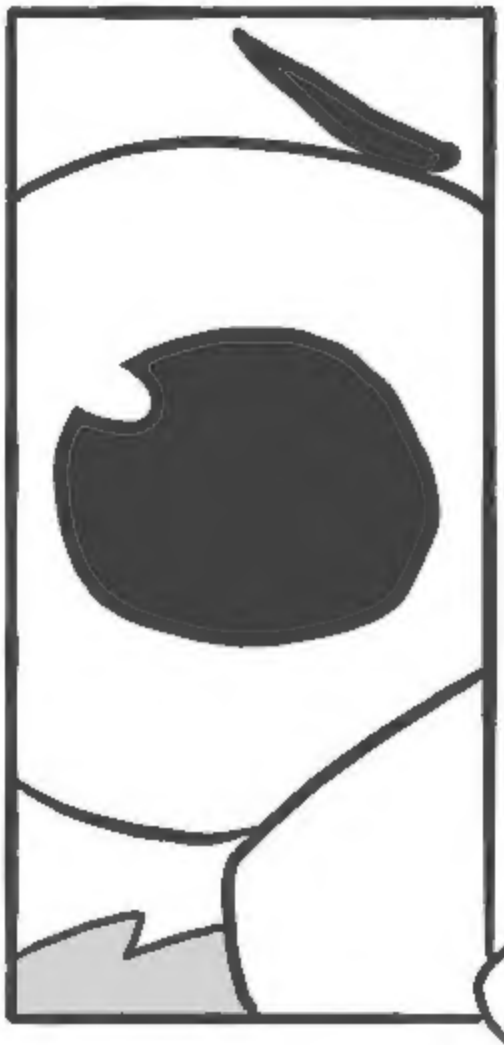
THE SWORD INTERVAL

ONE MORE WEEK FOR WRITING



Hm!
Alright then!

That was the end of the penultimate storyline of The Sword Interval!
The Hierophant's in the Celestial Plane, David, Yun, and Reggie are in Atlas custody, and Fall is dang a chrysalis!

I've taken this week to focus on writing, because when we come back next week... that's going to be the first episode of the final arc.
Thank you so much for reading, everyone. I'm looking forward to getting to the end of this story with you.

While waiting, check out these killer pieces of guest art some friends made.
